

Toll Gate Goes Back To Work at Clay's Ferry Bridge

Court of Appeals Dissolves Injunction Against Collection of Fees—Opinion With Interest

The toll gate goes back on the Clay's Ferry bridge on the Richmond and Lexington pike, at the Kentucky river.

News was received from Frankfort Tuesday that the Court of Appeals sustained a motion made by the Clay's Ferry Bridge Company to dissolve the injunction granted by Judge Shackelford in circuit court against collection of toll until the case should be tried out. As the law and facts in the question at issue were set forth fully in these preliminary steps, it is expected that unless the opinion of the state's highest court should indicate possibility of some further action, that the case is now closed, so far as securing removal of the toll gate through the courts. Receipt of the opinion will be eagerly awaited by all parties to the litigation and the public generally.

News of the victory for the Bridge Company will be received with much interest here, where the principal stockholders in the company, Messrs. Will Moberley, W. C. Bennett, and Mrs. Thomas Jefferson Smith, have their home. They were represented by Attorney A. R. Burnam, while the county of Madison, which brought the suit on behalf of the taxpayers and citizens, was represented by Special Attorneys G. Murray Smith, John Noland, H. C. Rice, and County Attorney O. P. Jackson.

ASK WILSON TO HOLD RAILROADS TWO YEARS

(By Associated Press) Washington, Jan. 26—Representatives of farmers' organizations, the American Federation of Labor, and the four big railroad brotherhoods today again asked President Wilson to retain control of railroads for at least two years. They asserted this was the desire of the farmers and organized labor in most states; that to return the roads now would mean greatly increased freight rates and would add four billion dollars annually to living costs.

Bali Player Caught In Raid On Gambling
(By Associated Press) Louisville, Jan. 26—The first results of the police anti-gambling crusade came today when Joe Herold, a baseball player, was held to the grand jury on a charge of operating a game of chance. Six others were arrested and put under peace bond. The man were captured when police raided a place on Market near 15th street, shortly after midnight.

STANFORD
Mrs. Lucy Hudson Beasley died at her home on West Main street Monday morning, very suddenly. She did not feel extra well and had not gotten up, but her friends did not think she was dangerously ill. As she went to eat her breakfast, she passed away. Deceased was the widow of the late Bias Beasley, and leaves three children: Mrs. Nevin Carter, Mrs. Wm. Logan and Morgan H. Beasley, of this city. She was the sister of Mr. Benjamin Hudson, of Lancaster, and Mr. Humphrey Hudson, of Danville. The remains will be taken to Lancaster Wednesday morning for interment in the Lancaster cemetery.

Ex-Postmaster James C. Florence fell in his yard Sunday morning and broke his arm. It is said to be a very painful break, between the shoulder and elbow.

THE BEST COUGH REMEDY
When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Auburn, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the best cough medicine I have ever known."

BACK FROM BIG RAID ON MOUNTAIN SHINERS

Deputy Internal Revenue Collector Hugh N. Samuels spent the week-end at his home here after one of the biggest moonshine raids he has yet participated in.

With the destruction of three illicit distilleries and the capture of nine alleged moonshiners in Floyd and Letcher counties the past week the opinion was expressed by Mr. Samuels that the backbone of the moonshine industry in that section of the State is broken.

Two stills were located on the left fork of Beaver creek in Floyd county and several hundred gallons of beer were destroyed, Mr. Samuels said. Seven men, who are alleged to have been operating the stills on the preceding night, were found in a house near by and were placed under arrest. They were taken to Pikeville and held to the Catlettsburg court by the United States commissioner. In Fletcher county, Isom Miles and his son, Charles Miles were caught operating a still in the basement of their home. They are said to have had a forty-five gallon copper still. Four hundred gallons of beer were destroyed.

These men were taken to Jackson and held to the April term of federal court in Richmond.

The raids in Floyd county were conducted by Federal Prohibition Officers G. L. Hannen, C. L. Winfrey, H. N. Samuels, Neal Guilfoyle, C. C. Rose, Rowan Saufley and U. G. McFarland.

FLU GAINS GROUND IN NEW YORK CITY

Socialists Say Seize Rule By Any Means

(By Associated Press) Albany, N. Y., Jan. 26—Proponents of a "dictatorship of the proletariat" hold that the first steps must be seizure of the government by any means possible and the taking over of industry by force, according to a pamphlet read today at the trial before the judiciary committee in the state legislature here today, of the five suspended Socialist assemblymen charged with disloyalty. The prosecution in indicating its line of attack read from the Socialist constitution providing for expulsion from the party of members who voted for military appropriations and then impressively read from the state constitution the obligation for appropriations for 10,000 enlisted men.

Why "His Official Fiancee"?

Enter something interestingly new in motion pictures! It is none other than a mystery comedy that keeps the audience as mystified as it does the leading character until a few seconds before the final fadeout. The picture is "His Official Fiancee," starring the Paramount-Artcraft favorite, Vivian Martin, at the opera house tonight. The leading character is a typist who becomes engaged to her cold-blooded employer, "for business reasons only" then falls in love with him.

NO GREAT ACT OF HEROISM REQUIRED

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as soon as the first indication of croup appears, there are many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and effectual.

TREATY FIGHT GOES TO FLOOR OF SENATE

Unless Republicans Agree to Compromise Negotiations, Hitchcock Warns

(By Associated Press) Washington, Jan. 26—Notice was served on the Senate Republican leaders today by Senator Hitchcock administration spokesman, that unless the compromise negotiations on the peace treaty were continued he would carry the fight to the Senate floor by moving to take up the treaty there. He practically gave the republicans until Thursday to decide.

The fate of the compromise negotiations on the peace treaty remained in doubt today after the bipartisan conference had discussed without decision refusal of the republicans to compromise on Article 10. Another meeting will be held Thursday. The democratic leaders replying to the republican ultimatum regarding Article 10, did not refuse to continue negotiations, but asserted that most of the republican members of the conference had assented to an Article 10 compromise and expressed great surprise at the republican stand.

This compromise, as made public by Democratic Leader Hitchcock, would forbid the United States employing an economic boycott or its armed forces to preserve the territorial integrity of any other country unless Congress acted in each special case.

After the meeting which developed some heated discussion, some Senators on both sides professed to see hope of a compromise but the general attitude of the conference was not one of optimism.

CHRISTIANS START \$60,000,000 DRIVE

Sixty million dollars is the goal set by the Disciples of Christ church for work of the Christian church in America for the next five years and \$12,000,000 for the next year, according to Dr. R. H. Crossfield, President of Transylvania College and the Bible, including Hamilton College had asked for \$3,362,952 for the five years period which was reduced to \$2,454,952 for the five years period, of \$558,124 by the conference.

President R. H. Crossfield and Secretary J. T. Fennell have returned from St. Louis where they attended the Disciple Conference of the Inter Church World Movement. The conference was composed of 108 representatives of the Board of Education, the United Missionary Society, Temperance Board and the Commission of Christian Unity. It was decided by the conference that United Missionary Society and Board of Education are equally responsible as respects the Interchurch World Movement.

ALVERSON SELLS FARM FOR NEARLY \$100,000

News has been received from Bourbon county that Jesse M. Alverson, an old Richmond boy, has just sold his handsome farm near Millersburg at a price of \$300 an acre. He had 230 acres, and the land is said to have been among the best in Bourbon. The buyer was Newton Bishop, of Woodford county. Mr. Alverson bought this land a few years ago at a price around \$200 an acre, so that he clears up quite a nifty sum on his purchase price, the whole deal amounting to right around \$100,000.

Mr. Alverson is a son of Mrs. Mattie Alverson, and brother of Miss Rose Alverson, of this city. He was engaged in the newspaper business for many years, and only recently sold the Georgetown News to engage in farming exclusively. He has also been interested in politics, of which he made quite a success, representing Lincoln county for several terms in the state legislature, after which he served as Clerk of the State Senate. He has a host of friends all over central Kentucky, who will congratulate him on his good fortune and foresight.

30-CENT TAX RATE FOR COUNTY SCHOOLS

Is Reported Favorably In Bill In State Senate—Monday In Legislature

Frankfort, Ky., Jan. 27—Bills abolishing the Departments of State Forestry and Geology, and establishing a department to be known as the Kentucky Geological Survey, were introduced in the House of Representatives, Monday reported favorably by the committee 15 minutes later and read into the calendar.

The passage of these measures would have the effect of terminating the offices of State Forester J. E. Barton, Nurseryman Joseph N. Zoeller and Dave Hiley, a clerk and a stenographer and about 15 Forest Wardens.

The day in the Senate was marked further by the passage of the second bill of the session that of Senator Andrew E. Auxier, compelling dissolving corporation, to file declarations of dissolution with the Secretary of State; the decision of the body to attend farmers' week at the University of Kentucky during the present week, and the introduction of about 29 new bills, including one introduced by Senator Harris providing state aid for district tuberculosis sanatoria.

A joint resolution introduced in the House by Representative Herbon Lawrence provides for the creation of a committee of five members, two of which shall be appointed by Lieutenant Governor S. Thurston Ballard and two by Speaker Joseph F. Bosworth to investigate the cause of the present high cost of living and report to the Legislature not later than February 23. The resolution as to whether the school children of this state are than is being paid for like books in other states.

Representative H. H. Barnes, of Lexington, laid before the House a communication from Dr. Frank McVey, President of the University of Kentucky, detailing the needs of the institution for the next two years.

The needs as summarized by President McVey follow:
Smith-Lever fund as an equivalent to the Federal fund, additional to the \$62,000 annual appropriation, 1921, \$20,494; 1922, \$28,067; 1923, \$38,067. Experiment station, \$50,000.

General university for purchase of engineering equipment: 1921, \$35,000; 1922, \$35,000.
Agricultural College, 1921, \$35,000; 1922, \$35,000. Dormitories, 1921, \$130,000; 1922, \$130,000.

In the Senate Senator J. D. Whitaker introduced a bill prohibiting moonshining and providing a maximum fine of \$500 and six months in jail for the offense.

The bill introduced by Representative Lawrence would prohibit the display of red flags in any public assembly.

The bill of Representative Arch L. Hamilton would strengthen the humane society laws to conform with those of Ohio, New York and other states.

Representative Henry H. Barnes's bill would fix \$1,000 state tax on persons selling and advertising medicines. In the House bills given first reading follows:
To admit prisoners to bail pending appeal from conviction; to require United States flag to be placed on every schoolhouse; to make it a felony to make, sell or give away beverage containing wood alcohol; to strike from insurance laws provisions of Section 762 A. and to allow Sheriffs 10 per cent for first \$5,000 taxes collected, 4 per cent for next \$25,000 and 1 per cent for remainder, fixing compensation limit at \$5,000.

Concluding that the amendment to the Federal constitution granting women full suffrage, and that it will equal suffrage to women will give not be necessary to submit the question to the voters of Kentucky, the Senate Committee decided to report unfavorably the Stoll bill granting a referendum to this question.

The bill creating a new board to control all state charitable and penal institutions received the unanimous approval of a quorum of the Appropriations Committee.

The Senate Committee on Education, after a long session, voted to report the following bills favorably: The bill creating a non-partisan County Board of Education, with authority to appoint Superintendents and teachers, and fixing the minimum tax rate at 30 cents for schools and the act fixing minimum salaries of public school teachers at \$75.

LINCOLN TOBACCO ON LOCAL BREAKS

Three truck loads of fine Lincoln county tobacco were brought over Tuesday morning by Messrs. J. E. Tudor, Will Stone and W. R. Vanhook. Mr. Tudor recently moved from Madison to Lincoln where he is greatly pleased. Messrs. Stone and Vanhook are prominent citizens and farmers of Stanford and vicinity. The former is one of the best contractors in that part of the state, who put in a little ground in tobacco as a side line and has a mighty nice lot of weed to show for it. Mr. Tudor brought them back to old Madison where he knows the highest price is paid for tobacco of any breaks in the state. He says that he has been reading about the high prices paid for crops, in the Daily Register, which he calls his "letter from home" every day and he was determined to bring his friends' crops over here to get the benefit of this splendid market.

Some sales on the local breaks Tuesday were as follows:

M. A. Moody and son sold the following baskets: 100 lbs at 5c; 110 lbs at 12c; 15 lbs at 6c; 85 lbs at 48c; 30 lbs at 59c; 40 lbs at 91c; 10 lbs at 66c; 110 lbs at 91c; 9c; 95 lbs at 68c; 120 lbs at 70c; 90 lbs at 95c; 65 lbs at 78c; 40 lbs at 83c; 85 lbs at 70c; 25 lbs at 70c.

W. M. Foley sold the following baskets: 60 lbs at 58c; 105 lbs at 75c; 35 lbs at 81c; 120 lbs at 93c; 110 lbs at 81c; 115 lbs at 91c; 45 lbs at 98c; 125 lbs at 89c; 170 lbs at 71c; 80 lbs at 22c; 130 lbs at 10c; 30 lbs at 10c.

Shelton and Coy sold the following baskets: 145 lbs at 88c; 365 lbs at 79c; 220 lbs at 25c; 170 lbs at 10c; 50 lbs at 11c; 105 lbs at 14c.

John Miller sold the following baskets: 230 lbs at 63c; 235 lbs at 72c; 350 lbs at 76c; 235 lbs at 20 1-2c.

FORMER LOCAL PASTOR DYING IN CALIFORNIA

The following clipping from an El Paso paper will sadden many hearts of friends here, where Rev. Williams was the greatly beloved pastor of the First Baptist church. He left the pastorate here to spend some time in California, and it was thought was entirely restored to his usual health. It says:

No hope is held for the recovery of Rev. J. F. Williams, pastor of the First Baptist church who is sick at his home, 1006 Magoffin avenue.
John Williams, who was graduated this week from the high school, and a score of members of Mr. Williams' church offered their blood for transfusion. A consultation was held between of the leading doctors in the city at which they decided transfusion of the blood would be of no avail. Franklin, another son, left Atlanta, Ga., Thursday evening, summoned here on account of his father's illness.

NEWBERRY BRIBERY TRIAL UNDER WAY

Michigan U. S. Senator In Federal Court Charged With Buying Victory From Ford

(By Associated Press)

Grand Rapids, Mich., Jan. 27—United States Senator Truman Newberry, and 123 prominent Michigan politicians went on trial in Federal Court here today charged with conspiracy, fraud, and corruption in the 1918 senatorial election. The importance of the issues involved, the prominence of the defendants and the imposing legal talent presaged one of the most notable cases in the annals of Michigan.

When the indictments were returned November 30, last, United States District Judge C. W. Sessions, who assembled the jury, indicated that evidence obtained by the inquirers disclosed that between \$500,000 and \$1,000,000 had been expended fraudulently in connection with the election.

The indicted men included every member of the committee that conducted the Newberry campaign and state, county and municipal officials in virtually every county from Lake Superior to the Ohio border.

Attached to the indictments was a list of more than two score "overt acts." These contained charges that a number of those indicted had given rewards ranging from promises of "good jobs" to payments of sums ranging from \$5 to \$2,750 in return for support in the Newberry campaign. One country editor was alleged to have received a ton of print paper.

The maximum penalty for the offenses charged, is a fine of \$10,000 and two years imprisonment.

HE ALWAYS PUTS A REAL "KICK" IN LIFE

It is doubtful if any motion picture was ever awaited with as much interest as Douglas Fairbanks' new picture, "His Majesty, The American," which will be the attraction at the local theatres Wednesday and Thursday.

Something more than mere interest in a motion picture lies back of this anticipation, for "His Majesty, The American," is Douglas Fairbanks' first independent production and marks the first release of United Artists Corporation, the so-called "Big Four."

In January of 1919 the entire amusement world was started by the formation of the United Artists Association. This association was formed by Mary Pickford, Charlie Chaplin, Douglas Fairbanks and D. W. Griffith. These artists conceded throughout the world to be the screen's foremost producers.

Thus under the leadership of the screen's foremost artists is the perfection of motion picture entertainment in sight.

The first picture made under these ideal conditions is "His Majesty, The American." The management of the Richmond theatres feels great pride in having secured this production for this city. The Richmond theatres always endeavor to choose its attractions with discrimination and regardless of expense. In the case of "His Majesty, The American," knowing what a Douglas Fairbanks film will be when the inimitable "Doug" can put his best into it, the theatre management feels and justly so, that it will offer to its patrons beginning Wednesday what should be the very height of screen entertainment.

MRS. JOE HILTON DIES SUDDENLY AT PARIS

Many friends and relatives here were greatly shocked to learn of the sudden death at Paris, Monday afternoon, of Mrs. Joe Hilton, wife of Joe Hilton, a prominent L. & N. engineer. She was just 28 years of age and besides her husband, is survived by two little sons, Joe and Eugene. Mrs. Hilton was a daughter of Mr. and Mrs. William Clouse, of the Waco section of this county, and also leaves the following brothers and sisters: J. M. Clouse, of Bear Lake, Mich.; Thomas Clouse and Mrs. Alex King, of Richmond; Mrs. W. A. Molding, of Tampa, Fla.; Mrs. Arthur Bonny, of the county, and Mrs. Allen Forte, of Lexington. Death came to the beloved young wife and mother suddenly at her home Monday afternoon.

So far funeral arrangements have not been announced.

Eggs Worth Weight in Gold
With eggs retailing at 90 cents a dozen, the proverbial "goose that laid the golden eggs" is a decidedly antiquated bird. Enter the homely hen, whose eggs are worth their weight in gold and more.

The Kentucky Experiment Station at Lexington has four hens, described by poultry experts as "full sisters," all sired by Sir Elgantine, which hens have laid a total of 870 eggs in the last year.

Based upon the present market price the eggs are worth \$65.25, while the total cost of feeding the four hens the entire 12 months was only \$12. The four hens produced as many as fourteen Kentucky hens ordinarily do in a year.

"Kentucky Queen" heads the list of egg producers, with 260 to her credit. The others laid eggs as follows: 219, 197 and 194.

Sir Elgantine, sire of the four hens, gained prominence two years ago as the mate of Lady Walnut Hill, who holds the world's record for continuous egg production—292 eggs in as many days.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would grip me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

the home farm of the late W. D. Thompson, containing 543 72-100 acres. This farm is in Clark county, and is located 6 miles from Mt. Sterling, about 10 miles from Winchester, and 3 miles from Thompson's Station on the Chesapeake and Ohio Railroad. It lies on both sides of the Wade's Mill and Sewell's Shop turnpike. This land has been subdivided into five different tracts, each of said tracts having a large frontage on the Wades Mill and Sewell's Shop turnpike and each tract makes a fine farm in itself.

TRACT NO. 1—Contains 105 421-1000 acres. This tract lies well, has a large frontage on the pike, affords a splendid building site, is mostly in blue grass, and has on it a large amount of fine tobacco and hemp land, and is well watered.

TRACT NO. 2—Contains 176 15-100 acres. It has a large pike frontage. Improvements consist of a nine room, two-story frame residence with two halls, large front and back porch, good cistern, smoke house, ice house, two buggy houses, stock barn, good orchard and other improvements. A portion of this land is in grass, and the balance is in a fine state of cultivation. This tract, with its improvements, makes a most desirable home.

TRACT NO. 3—Contains 86 42-100 acres. It has a large pike frontage, affords a splendid building site. A portion of this land is in blue grass.

TRACT NO. 4—Contains 94 537-1000 acres. Has a large pike frontage, lies well, and affords a splendid building site. A portion of this land is in blue grass, and the balance is in a high state of cultivation.

TRACT NO. 5—Contains 80192.1000 acres. It has a large pike frontage, and has on it a brick residence containing four rooms and kitchen, a stock barn and other outbuildings. It is practically all in blue grass and is watered by never-failing springs.

This land has been sub-divided with great care, so as to make each tract a very desirable farm.

Wear, Washing, and Your Clothes

Why do clothes wear out? Is day to day use a principal factor? Has laundering a weakening or strengthening effect? How much has the quality of the manufacturer's work to do with the wear? What can reasonably be expected of a given piece of fabric?

In behalf of the housewives whom we serve, these questions have been searchingly inquired into.

Tablecloths of real linen, well woven, can be laundered as many as 100 or 150 times before showing wear. This is the average of our methods of handling linen that has been finely made and properly cared for by the housewife.

Flaws often appear in curtains at the point below the shade where they are most exposed to dust-laden air and the action of the sun's rays. To check these corrosive influences many housewives have their curtains washed oftener than cleanliness alone requires.

If a few drops of a harmful fluid, like the solution in an automobile storage battery, have fallen on a cloth, holes will develop during the first washing.

A stretched collar that has never been worn—such a collar as is commonly favored by men—can be continuously washed in handies like ours as many as 40 times before it will begin to fray. But if the collar is worn between washings, it can be laundered only 20 times or less. In a word, the wearing of a collar—the putting on and taking it off—shortens its life by 50 per cent or more.

Personal apparel and household linen are bleached, dyed, woven, tailored, packed, shipped, stored, unpacked and used before they come to us. If at any stage there has been poor workmanship, misuse or abuse, "it all comes out in the wash."

But when you have purchased with judgment, and used your things with care, our cleansing methods will help you prolong their usefulness. Laundering and conservation of clothes have become an art with us. Send us your family washing.

Would You Lose If Your Property Burned Today?

The destruction of that \$5,000 home you built a few years ago would lose to you the original cost, plus another \$5,000. For it costs \$10,000 now to build the \$5,000 home of 1914. Likewise the loss of today of the business property that cost \$50,000 before Germany went mad, would be \$100,000—probably \$100,000 would not replace it.

This Laxative Is Now in Half a Million Homes

They regulate their health with Dr. Caldwell's Syrup Pepsin

WHERE there are women and young children and elderly people it is always well to have a mild, gentle-acting laxative like Dr. Caldwell's Syrup Pepsin handy. This is a combination of simple laxative herbs with pepsin which does all that is required in constipation and does it with safety and comfort. It is free from narcotics and may be given to babies. Half a million mothers have it in as many good American homes, and these families are healthier for it. Every drug store sells Dr. Caldwell's Syrup Pepsin.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

SOLD \$10,000.00 WORTH OF CREAM TO THE TRI-STATE BUTTER COMPANY

Harrison County Man Says He Never Received A Cream Check But That He Felt That He Had Been Given Right Weight And Test

"After 7 years' dealing we feel it your due to have a word of appreciation for your square dealings in that time," writes Charles Bonham, a well known and respected farmer of Harrison, Ohio.

Mr. Bonham is well known in his community and takes an active part in all activities for the betterment of the agricultural interests. He has a herd of 21 Jerseys and he considers them best for cream production.

"We sold a few cans of cream to the new local stations to try them out," continues Mr. Bonham, "but always went back to The Tri State."

Mr. Bonham received over \$10,000.00 in Tri State checks during the past 7 years and butter-fat was considerable cheaper 7 years ago than it is today. Every new cream buyer that opened up shop, tried to buy Bonham's cream—he was coaxed to give them each a trial, but even tho the station buyers did their best, it was useless for Mr. Bonham to sell his cream to a commission buyer, for when one handles a herd of 21 cows, the hard work is done before the cream is brought to town and when the cream is in town, Mr. Bonham couldn't see any use in taking from 3 to 5 cents per pound less for his cream in order to favor a cream buyer, especially when he knew his check would come along from The Tri State in a few days after shipping, bringing the FULL price for the cream.

The Tri State Butter Company only buys from the producer and every shipment is received in the patron's own can and over 35,000 of the largest cream producers find it a big advantage to ship DIRECT, as it gives the creamery so much better quality of cream and consequently a better price to the producer compared to the mixing of all kinds together.

We will gladly send Free Trial Cans for 30 days to any one needing cans to give us a trial. If you have cans, write for shipping tags. The Tri State Butter Company, Cash Capital, \$250,000.00; 950 Kenyon Ave. Cincinnati, Ohio. 22-21.

Stomach Out of Order? Try NR

Nothing Better to Straighten You Out After Eating Too Much. Tones Liver, Regulates Bowels. Acts Pleasantly. Guaranteed.

Many people eat too much every day and most eat much too much some days. That is why Americans suffer more than any people in the world from indigestion, biliousness and constipation.

With a little thoughtfulness and care, however, a great amount of this distress could be avoided and you'll never realize how true this is until you become one of the several million people of this country who keep a box of Nature's Remedy (NR Tablets) constantly on hand and use it whenever indigestion, biliousness or constipation threaten.

These laxative purges, cathartics, such as oil, calomel, etc., which merely Debauch the system, Nature's Remedy cleans a lane and induces upon the entire digestive and eliminative system the stomach, liver, bowels and even the kidneys. Its purpose is to promote vigorous and harmonious action of all the organs that handle the food and body waste.

That is why the results which follow the use of Nature's Remedy are always a delightful surprise to those who first try it. The action while prompt and thorough, is as mild and gentle and pleasant as Nature herself, and the thorough cleansing the body receives brings a feeling of real relief and benefit such as no laxative or cathartic ever produced for anyone.

Get a box of Nature's Remedy (NR Tablets) and try it. There is no risk in doing so, for it must give you greater relief and benefit than any liver or bowel medicine you ever used, or money back instantly. It is sold, guaranteed and recommended by your druggist.

NORTHERN DOG DERBY TO BE RUN MARCH 17

(By Associated Press)
The Pas, Man., Jan. 27—The third annual race of the Hudson Bay Dog Derby association—the classic of winter struggles north of the boundary—will take place on St. Patrick's day, March 17. The 100 mile dash will be from The Pas to Sturgeon Landing, and return.

A purse of \$1,000 and a gold and silver cup, more than three feet in height, will be awarded to the winner. The cup is the gift of Frank Burns, of Toronto. The prizes are but a raindrop compared with the money wagered by miners, trappers and dog fanciers.

Unusual interest is centered in the approaching derby. The gold strikers north of here and the record prices for furs has added to the wealth of the community and the race will be the only event to break the monotony of winter. Then, too, this will be the first year in which a variety of dog breeds will be represented. Present indications are that 50 teams may compete, as 16 teams already are entered.

Greyhounds will be tried out for the first time in history. Charles Dysart will drive them. B. Bjorvman, of Winnipeg, is expected to enter a team of five collies. Alaska malamutes, and sheep dogs also will try their speed and endurance against teams of experienced sledge dogs driven by Indian mushers.

The 1919 race was completed in about 15 hours of non-stop running.
